# the PAIR Story

---

*Justice, hope, and safety.* This is the promise that PAIR brings to every asylum client who turns to PAIR for help. The immigrant community in Massachusetts is vibrant, full of courageous individuals who have fled torture and abuse with the hope of a fresh start. However, navigating the complex immigration system requires support and assistance, especially as immigration laws and policy changes have made it nearly impossible for asylum seekers to win their cases.

Unmet legal needs are the primary reasons asylum seekers are denied protection in the U.S. For over thirty years, PAIR has aimed to fill a crucial gap in civil legal aid for immigrants and asylum seekers across Massachusetts by partnering with over 1,500 active volunteer attorneys from over 50 of Boston's major law firms. Volunteers help PAIR maximize scarce legal resources while serving a substantial client base. In its fiscal year 2021-22, PAIR served over 1,700 clients with the help of our incredible pro bono lawyers, who provided over 19,000 hours of donated legal services, worth a total of \$13M of in-kind donations.

PAIR continues to do its important work through its Pro Bono Asylum Program, Detention Program, community outreach and initiatives. Despite PAIR's continued remote operations and perpetual challenges with the immigration system, PAIR staff are working harder than ever to ensure our client partners have access to legal and non-legal services. PAIR's work remains as critical as ever during these challenging times.

# the Event

Come join PAIR on June 6, 2023, at the Boston Seaport Hotel, as we celebrate 34 years of serving immigrants! Guests will mingle and network during the reception style event. PAIR will recognize eight award recipients who have gone above and beyond to transform the lives of PAIR clients. Guests will hear from a PAIR client who share their poignant stories of hope and their harrowing journeys to safety, made possible by PAIR and our volunteers. Through sponsorship and a live fundraising drive, the PAIR Gala aims to raise more than \$200,000 to fund PAIR’s work to assist even more clients.

# the Audience

The PAIR Gala brings together leaders from Greater Boston’s legal, nonprofit and business communities, including law firm partners, corporate counsel, philanthropists, immigrant allies, and community activists to celebrate their commitment to protecting immigrant rights and to support PAIR’s work to ensure access to counsel. Guests have a chance to meet former PAIR clients to hear their stories of hope.

# the Opportunity

The PAIR Gala presents a unique opportunity to showcase your commitment to PAIR’s pro bono legal services for our immigrant neighbors to an audience of legal, nonprofit and business leaders at a well recognized community event. Our flexible sponsorship packages offer various points of event access and promotional exposure.
